Professional Summary

Detail-oriented Front-End Developer with expertise in creating responsive and user-friendly web interfaces. Skilled in HTML, CSS, JavaScript, and Angular, with a strong focus on performance optimization, cross-browser compatibility, and scalable design solutions. Adept at transforming design prototypes into fully functional applications and collaborating in team environments.

Work Experience

Front-End Developer Intern

- Completed a 5-month intensive front-end development training program.
- Designed and implemented responsive web pages using HTML, CSS, Bootstrap, and JavaScript.
- Developed dynamic components including sliders, forms, and navigation menus to enhance user experience.
- Built scalable single-page applications (SPAs) using Angular.
- Debugged and optimized web applications for performance and speed.
- Collaborated with team members to translate wireframes into functional web pages.

Technical Skills

- Programming Languages: HTML5, CSS3, JavaScript (ES6+), TypeScript
- Frameworks & Libraries: Angular, Bootstrap
- Tools & Platforms: Visual Studio Code, Git/GitHub, Chrome DevTools
- Development Practices: Responsive Design, Cross-Browser Compatibility, Performance Optimization, API Integration
- Additional Tools: Microsoft Excel

Certifications

- Front-End Web Development Certificate | Root Academy (2024)
- JavaScript Basics | Online Certification Platform (e.g., FreeCodeCamp, Udemy)

Soft Skills

- Effective Communication
- Time Management
- Team Collaboration
- Problem-Solving

Additional Interests

- Exploring new front-end libraries and tools to stay updated with industry trends.
- Learning back-end technologies to expand full-stack development capabilities.

Languages

- Arabic: Native
- English: Very Good

Education

Bachelor of Civil Engineering

15th of May Institute, Egypt | Graduated: 2022
